

# Assembly Instructions

## OMB2043 Oval Multi-Stand

- 1.** Lay bottom cleat (B) on floor. Beginning at the start line in the cleat (notch in center), wrap flexible shell (SH) tightly around bottom cleat.
- 2.** Position top leg form in upper edge of flexible shell to complete leg.
- 3.** Repeat steps 1 and 2 to complete second leg.
- 4.** Velcro brace panel (BP) in between legs.
- 5.** Position top (T) to complete unit.
